Dear Parents/ Carers,

**Preparations for Remote Access to Digital Learning for children at home.**

As you are aware, the teachers have been working hard to prepare for the possibility that schools may close due to the Coronavirus. They are all very busy preparing a range of learning resources that all children may be able to access from home using Seesaw and Hwb digital learning platforms.

With this in mind, we would appreciate it if all parents could inform school if their children DOES NOT have access to the internet and/or DOES NOT have access to a laptop, computer or tablet at home please. Please contact your child's teacher via Seesaw or you if you wish to discuss this matter further, you may contact me via the school email address [mailbox@stmarys-wxm-pri.wrexham.sch.uk](mailto:mailbox@stmarys-wxm-pri.wrexham.sch.uk) or you can telephone the school to speak to me in person, if you prefer.

It is so important to us as a school that all families are supported during this difficult time and therefore we want to ensure that as far as possible, no family will be disadvantaged.

As a Catholic school community, it is also very important that we support each other in any way that we can. Please do not hesitate to contact school if we can help you in any way. We must take strength and comfort from our continued prayers for each other and the wider community.

God bless you all and your loved ones at this challenging time.

Yours faithfully,

Mrs R F Acton
