Let us pray...

As a school family, our Year 3 children have formed a lovely friendship with the residents and carers of Bay Tree and Hilbury House Care Homes.

We must remember to keep them all in our prayers as they are isolating from their families

Dear Lord,

We ask for your comfort and hope for our friends in care homes. May they feel your love and presence during this difficult time.

We pray also for the care assistants as they provide wonderful care and support for the residents, particularly when many of them are staying in the care homes away from their own families.

We look forward to when we can see them all again and share many more happy times together.

Amen.
