Prayer is not to be performed with the lips but with the heart.

Let us pray...

The Road to Emmaus. Luke 24 verses 13-25

Yesterday's Gospel reading tells us about the time after Jesus' death when two of His disciples were walking along the road to Emmaus from Jerusalem when suddenly another man joined them. They didn't realise it was Jesus until later on when they shared a meal together and Jesus broke the bread and shared it with them as he had done at the Last Supper. Can you imagine how astonished the two travellers must have been? They had spent the whole afternoon with Jesus and didn't even know it! They were too excited to stay in Emmaus that night. They walked, maybe even ran back to Jerusalem. They found the disciples and told them all that had happened. 'Christ is risen! He is risen indeed!'

Let's Pray that we share the disciples Easter joy: Dear God, we thank-you for the Good News. Christ is risen! Help us to recognise the Risen Christ in our world today, and to follow Jesus' example as faithful disciples. Amen.
