

Dear Parents/ Carers,

I hope you are all keeping well and staying safe and I hope those families who are on 'half term' holiday are enjoying the break from home schooling!

A huge thank you to you all for continuing to work so hard at home during this very unusual period. Your engagement with the home learning opportunities has been truly wonderful and we very much appreciate your continued support and cooperation.

Due to the 'staggered' half term holiday over this week and next only, I will put a 'bumper' two week newsletter together to share your holiday news rather than the usual weekly newsletter. Please take this opportunity to send us your photos and news if you havent already done so. It is really great keeping in touch with what you are all getting up to while we are away from school and I hope you are all enjoying seeing our St Mary's family having fun together with their families during 'lockdown.'

Please continue to take care, stay safe and keep us all in your prayers. If there is anything I can do to help or support any families at this difficult time, please do contact me in school.

Many thanks and kind regards,

God bless,

R F Acton
