

Mrs Acton's 'Thought for the day'

People will forget what you said.
People will forget what you did.
But people will never forget
how you made them feel.

- Maya Angelou

Let us pray...

On Thursday, Pope Francis released a video message sharing his prayer intention for June, which this month is that "all those who suffer may find their way in life, allowing themselves to be touched by the Heart of Jesus."

It is especially important for us to continue to pray for all those who have been affected by the Coronavirus.

Click on the [Link](#) to listen to Pope Francis.

Perhaps you set up your own prayer focus and reflect on his message to us all.
