Dear Parents/ Carers,

### **Re-opening of school- Update**

I hope you are all keeping well and staying safe.

I feel I must emphasize that I do not think I have ever been more proud to be Headteacher of St Mary's. The level of dedication and staff commitment to provide continuity of learning for all our children, together with the overwhelming support of parents at this extraordinary time, has been incredible. Diolch o galon.

A very big thank you to all families who have already responded to the Parent/ Carer Questionnaire in relation to the reopening of school to groups of children on a rota basis from Monday 29<sup>th</sup> June. Your prompt responses will help us to begin the process of risk assessing all aspects of school life, in order to safeguard all children staff and parents as best we can under these unprecedented circumstances. If you have not already done so, please complete the questionnaire, one per child, by Monday 8<sup>th</sup> June.

**As ever, the health and safety of all members of our wonderful school family will remain our top priority, all the necessary safeguarding measures will be in place, in line with Welsh Government, and Local Authority Guidance before school is re-opened to those families choosing to attend.**

Thank you for the additional comments, questions and queries raised within the questionnaire. Your responses are extremely useful. I will do my best to provide answers to all your concerns over the coming couple of weeks, in order for you to make an informed decision about your child's return to school before the end of the summer term.

Please be assured that I will keep you regularly updated as I have further information to share.

Thank you once again for your continued prayers, support and patience. They are very much appreciated.

Kindest regards,

Mrs R F Acton  
Headteacher
