Dear Parents/ Carers,

Update re Friday afternoons On-line Learning Provision

May I take this opportunity to thank you all for your continued support as we continue to educate our children remotely due to the on-going Coronavirus pandemic. Your support and engagement with the on-line learning this week, including accessing Teams' Catch up and review meetings, has been wonderful. Diolch o galon i chi i gyd- heartfelt thanks to you all!

The teachers and support staff have been working exceptionally hard both in school and from home, to ensure quality provision for all learners. Once again, they have exceeded expectations at this very challenging period for us all and I wish to express my sincere gratitude and respect for our wonderful school team. Da iawn pawb!

In order to support the teaching staff to be able to continue to plan, assess and evaluate the on-line learning provision ready for next week, **I have advised that they will not be providing feedback to learners on a Friday afternoon from 12:00pm in Foundation Phase and 12:30pm in Key Stage 2. Similarly, there will be no Friday afternoon Teams' meeting either.**

Therefore, during this session on a Friday afternoon, children may complete any outstanding work set by their teacher from the previous week or take the opportunity for some 'well-being' time to get active, play in the garden, bake a cake or watch a family movie, for example.

ESGOBAETH WRECSAM

It has been a very busy week for us all and it is very important that the children have some fresh air and time away from screens as well.

As always, I will keep you up to date with further information as we receive it but please bear in mind, we are often receiving information via the media at the same time as the wider public.

If you have any questions or queries or require any support with on-line learning or need to borrow a digital device, please do not hesitate to contact me in school using the school email address.

Thank you once again for your continued prayers and support.

Yours faithfully,
