4.1.20

Dear Parents/ Carers,

I hope you are all keeping well and remaining positive at this time of continued worry and uncertainty.

As previously advised, from tomorrow Tuesday 5th January until at least Friday 8th January, teachers will provide on-line learning for all children. Nationally, the situation is rapidly changing and I will provide parents with any changes to this information as soon as we receive them.

It is very important that all children engage with the on-line learning provided; it is vital that any further disruption to their education is kept to an absolute minimum.

On-line learning plans will be shared with parents each day using Seesaw. These will take the form of Google slides which contain links to relevant teaching videos/ tutorials, learning resources and on-line materials. Children should share their learning activities/ completed work to Seesaw or Google classroom, as directed by their class teacher. Please use the Seesaw Home Learning codes for this purpose.

Every morning and afternoon, teachers and support staff will meet with their class via Microsoft Teams, and an attendance register will be taken. Meetings have been staggered to support families with children in different classes. Please see timetable below. Each Teams' meeting will start with a prayer and teachers will share the teaching and learning activities for the day, providing support and guidance, as required. A link to each Teams' meeting will be provided via Seesaw. Please click on the link to access the meeting and type in your child's Hwb Log in password (also shared via Seesaw.) When accessing a Teams meeting, it is

If your child does not have access to a digital device i.e. laptop/ I pad, school is offering the same device loan scheme, as per the March Lockdown. Please email the school if you wish to borrow a device for the school closure period.

Teachers will be available throughout the school day i.e. between 8:55am and 3:15pm to provide teaching support, feedback and guidance via Seesaw. Please understand that they will do their best to respond as quickly as possible, bearing in mind that they are supporting a whole class remotely.

If at any point, you have any concerns or questions regarding on-line learning, please do not hesitate to contact your child's teacher via Seesaw or email the school mailbox email address.

As always, I thank you for your continued support, prayers and cooperation as we continue to work in partnership to ensure a continuity of learning for our children.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'R F Acton'.
