MESSAGES FROM MRS ACTON

CAFOD assembly Fratelli Tutti

Pope Francis has written a letter to everyone, asking us to reach out to our sisters and brothers in need, whoever they are, wherever they may come from. We are all challenged to turn outwards and think of ourselves as one global family, becoming neighbours to all, and he gives the example of the Good Samaritan who reached out to help the injured man that he didn't know.

Yesterday, we all participated in the CAFOD national assembly for primary schools which told us all about this important letter. We will do our best as a school community to show our fraternal love to others in the way we reach out to our neighbours, both near and far.

School Uniform standards

It has been a very disruptive year so it has only been fair to be flexible with any families whose children have outgrown school shoes, jumpers, PE kits etc. at this late stage. **(Any concerns re uniform please see Mrs Acton.)**

From September, we would like to ensure that our **very high standards of dress and appearance, including hairstyles resumes.** The wearing of trainers (including black trainers) for school is **NOT** permitted. **Wearing black school shoes is expected of all children.** St Mary's School PE kits should be worn by all children— no football kits/ other shorts & t-shirt sets please. Similarly, extreme haircuts, coloured hair, shaved heads, severe grading/ tramlines are also not permitted. Thank you for your continued support. **We are very proud of our high standards and reputation.**

MAKATON SIGN OF THE WEEK

We are all learning a special sign language called Makaton to promote inclusion in St Mary's and to support all learners to communicate with each other.

You can practise our 'Sign of the Week' with your family and friends.

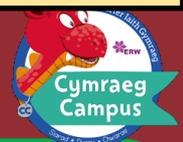

This week's sign is: Spider
